

## Library Impact Case Study

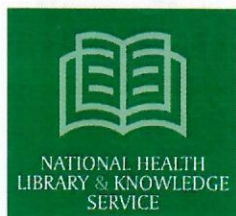

Library concerned: <i>Naas General Hospital</i> Name of case study: <i>Clinical leadership further study</i> Date of interview: <i>19 Sept 2012</i>	
<b>Interviewee</b>	Name: <i>Sinead Keogh</i> Job Title: <i>A/Nurse practice development CO-ordinator</i> Trust/Employing body: Email: <i>Sinead.keogh@hse.ie</i> Tel: <i>045 849962</i>
Please note: you should only provide interviewee details here if consent to share on the national blog has been obtained	
<b>Summary of problem or reason for enquiry</b>	<i>Started a Masters programme in leadership needed help with search for articles on research question.</i>
<b>Brief description of the information found / service provided</b>	<i>Librarian helped me conduct a search on 2 occasions helped me whittle down articles I needed. Also Librarian was able to obtain articles I could not resource very helpful and supportive.</i>

<b>Summary of outcome and impact</b>	<i>found all articles I needed for research proposal also I learnt how to do a better search for articles.</i>
<b>Immediate Impact</b>  (including quotes)	<i>I was able to get the Best up to date research, it saved me time and I have gained better knowledge on how to search the database. The Librarian (Ronan) always very helpful and accomodating.</i>
<b>Probable future Impact</b>  (including quotes)	<i>The Resources in the Library have improved over the last number of months, Librarian very approachable and professional and very knowledgible about resourcing material.</i>

*This makes it easier for staff when doing courses. Also Ronan did a presentation for a group of nurses undertaking courses on how to source material. feedback was excellent.*

## Library Impact Case Study

### Consent to use Library Impact Case Study as part of the Evidence Informed Healthcare Campaign

We would very much like to share the case study in order to promote the library and knowledge service and the way in which it supports the organisation and staff. For this reason we would like your consent in sharing the information and, ideally, providing your name as someone who has benefitted from Library Services. However if you would prefer to remain anonymous we understand.

Therefore do we have your permission to include your name on the case study? Yes/No  
Please confirm that you agree to give consent for the case study to be **used internally** in relevant materials, including but not limited to reports, leaflets, training and promotional materials, which may be published in paper form or made available on the **intranet**. Yes/No  
Please confirm that you agree to give consent for the case study to be **used externally** in relevant materials, including but not limited to reports, leaflets, training and promotional materials, which may be published in paper form or made widely available on the **internet including as part of a national database of case studies**.
