

Library Impact Case Study

Library concerned: NAAS GENERAL HOSPITAL Name of case study: COPD RESEARCH PROJECT Date of interview: 27/07/2017	
Interviewee	Name: FIONA KAWANAGH Job Title: Clinical nurse specialist Trust/Employing body: HSE Naas General Hospital Email: fiona.kavanagh1@hse.ie Tel: 015 849458 / 849869. Please note: you should only provide interviewee details here if consent to share on the national blog has been obtained
Summary of problem or reason for enquiry	Library Support needed for Research Project "90 day re-admission for COPD following a previous admission for COPD exacerbation. TED Nursing + Centre for practice and healthcare innovation."
Brief description of the information found / service provided	Assistance with Research + accessing articles Technical Help with the Design of a Poster from Research Study for Scientific conference ITS. Assistance provided for presentation on COPD research at National NMPDU Conference. Assistance with Abstract - Research.

Summary of outcome and impact	Research project is ongoing. Assistance from Library has led to progress in creating the standard for project + evidence base.
Immediate Impact (including quotes)	Dead-lines were achieved thanks to Librarian technical assistance I have become more confident in on-line searching for academic research and in creating power-point presentation, scientific poster
Probable future Impact (including quotes)	Research - Carry out research re chart review using evidenced based tool. Collate data. Use standard for Clinical Audit. Introduce Admission + Discharge Care Bundles for COPD. Identify gaps in practice for Patients with COPD throughout their Journey from Admission to Discharge in NatH. Librarian has been instrumental in assisting me in reaching these goals. I have gained significant learning in the Research process and how to present knowledge gained.

Library Impact Case Study

Consent to use Library Impact Case Study as part of the Evidence Informed Healthcare Campaign

We would very much like to share the case study in order to promote the library and knowledge service and the way in which it supports the organisation and staff. For this reason we would like your consent in sharing the information and, ideally, providing your name as someone who has benefitted from Library Services. However if you would prefer to remain anonymous we understand.

Therefore do we have your permission to include your name on the case study? Yes/No
Please confirm that you agree to give consent for the case study to be **used internally** in relevant materials, including but not limited to reports, leaflets, training and promotional materials, which may be published in paper form or made available on the **intranet**. Yes/No
